**Fiscal Biennium 2006-2008  
Budget Modification Report**

**Part II - Capital Projects Budget**

**BRANCH BUDGET**

The State/Executive Branch Budget Bill, Part II, Capital Projects Budget, includes the following directives:

(1) **Capital Construction Fund Appropriations and Reauthorizations:** Moneys in the Capital Construction Fund are appropriated for the following capital projects subject to the conditions and procedures in this Act. Items listed without appropriated amounts are previously authorized for which no additional amount is required. These items are listed in order to continue their current authorization into the 2006-2008 fiscal biennium. Unless otherwise specified, reauthorized projects shall conform to the original authorization enacted by the General Assembly.

(2) **Expiration of Existing Line-Item Capital Construction Projects:** All appropriations to existing line-item capital construction projects expire on June 30, 2006, unless reauthorized in this Act with the following exceptions: (a) A construction contract for the project shall have been awarded by June 30, 2006; (b) Permanent financing or a short-term line of credit sufficient to cover the total authorized project scope shall have been obtained in the case of projects authorized for bonds, provided that the authorized project completes an initial draw on the line of credit within the biennium immediately subsequent to the original authorization; and (c) Grant or loan agreements, if applicable, shall have been finalized and properly signed by all necessary parties. Notwithstanding the criteria set forth in this section, the disposition of 2004-2006 biennium nonstatutory appropriated maintenance pools funded from Capital Construction Investment Income shall remain subject to the provisions of KRS 45.770(4)(c).

(3) **New Bond Projects:** Bond projects authorized for the first time in this Part which have debt service supported by state General Fund appropriations are authorized in the first year of the biennium. Debt service has been included effective July 1, 2007, for all new bond projects.

(4) **Bond Proceeds Investment Income:** Investment income earned from bond proceeds beyond that which is required to satisfy Internal Revenue Service arbitrage rebates and penalties and excess bond proceeds upon the completion of a bond-financed capital project may be used to pay debt service according to the Internal Revenue Service Code and accompanying regulations. Notwithstanding KRS 48.010(13)(b), 48.720, or any section of this Act, any funds appropriated but not required to pay debt service because of this fund source substitution shall be credited to the Statewide Deferred Maintenance Fund account each year. The Governor of the Commonwealth vetoes, in part, the following:

Partial Veto #4 of HB 380 - *"I, Ernie Fletcher, Governor of the Commonwealth of Kentucky, pursuant to the authority granted under Section 88 of the Kentucky Constitution, do hereby veto the following parts:*

*...Page 153, lines 3 through 6, in their entirety.*

*Page 153, line 10 in its entirety.*

*Page 154, line 15, after the second character ";," delete "the Capital Renewal and Maintenance Bond".*

*Page 154, line 18, after the second character ";," delete "the Postsecondary Education Institutions".*

*Page 154, line 19, in its entirety.*

*Page 154, line 20, delete "Support/Lab Renovation and Equipment Pool;"....*

*These parts represent capital projects authorized for bond financing. I am vetoing these projects because it is my belief that the Commonwealth cannot afford to sustain the debt that would have to be incurred to fund them without jeopardizing its credit rating and financial future. To fund these projects would limit the Commonwealth's ability to adequately fund its operating expenses in the short and long term. The overall level of debt of the Commonwealth has ballooned in recent years. Record levels of debt were approved in both the 2005 General Assembly and the 2006 General Assembly. In comparison to other states, the debt per capita for Kentucky has increased substantially while most states have held constant or reduced their relative debt levels. I do not take issue with the merit of any one of these projects, or their ability to have a positive impact on our Commonwealth. My concern is the overall level of debt that we will rely on our children and grandchildren to honor.*

*The credit rating services closely review the degree to which the Commonwealth can meet recurring expenditures with recurring revenues. I am concerned about the structural imbalance in the operating budget. However, due to the structure of the appropriations Act, there is limited ability to impact the appropriation levels in the budget without jeopardizing entire programs. Many of the projects vetoed herein were only provided with a half year of debt service in the biennium, adding to the structural imbalance that will have to be addressed in the succeeding biennial budget. The debt service for these capital projects represents \$11,076,000 in General Fund appropriations in fiscal year 2007-2008. These appropriations will lapse to the General Fund Surplus account."*

**2. Expenditure of Excess Restricted Funds or Federal Funds Receipts:** If receipts received or credited to the Restricted Funds accounts or Federal Funds accounts of a budget unit during fiscal year 2006-2007 or fiscal year 2007-2008, and any balance forwarded to the credit of these same accounts from the previous fiscal year, exceed the appropriation made by specific sum for these accounts of the budget unit as provided in Part I, Operating Budget, of this Act, for the fiscal year in which the excess occurs, the excess funds in the accounts of the budget unit shall become available for expenditure for the purpose of the account during the fiscal year only upon compliance with the conditions and procedures specified in KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.700, 48.705, 48.710, 48.720, 48.730, 48.800, and 48.810 and this Act, and with the authorization of the State Budget Director and approval of the Secretary of the Finance and Administration Cabinet.

Prior to authorizing the appropriation of any excess, unbudgeted Restricted Funds pursuant to this section, the State Budget Director and the Secretary of the Finance and Administration Cabinet shall review the adequacy of the General Fund Surplus Account with respect to its availability to support Necessary Government Expenses. In the event that General Fund Surplus Account moneys are determined by this review to be adequate to meet known or anticipated Necessary Government Expenses during fiscal year 2006-2007 or fiscal year 2007-2008, respectively, then the appropriation increase may be approved. In the event that the review indicates that there are insufficient funds available or reasonably estimated to become available to the General Fund Surplus Account to meet known or projected Necessary Government Expenses for the fiscal years enumerated above, the State Budget Director, with the concurrence of the Secretary of the Finance and Administration Cabinet, may disapprove the request for additional Restricted Funds expenditure authority and may direct the excess Restricted Funds identified to the General Fund Surplus Account in order to meet Necessary Government Expense obligations. The results of any review shall be reported to the Interim Joint Committee on Appropriations and Revenue in accordance with KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.700, 48.705, 48.710, 48.720, 48.730, 48.800, and 48.810.

Any request made by a budget unit pursuant to KRS 48.630 that relates to Restricted Funds or Federal Funds shall include documentation showing a comparative statement of revised estimated receipts by fund source and the proposed expenditures by proposed use, with the appropriated sums specified in the Budget of the Commonwealth, and statements which explain the cause, source, and use for any variances which may exist.

Each budget unit shall submit its reports in print and electronic format consistent with the Restricted Funds and Federal Funds records contained in the fiscal biennium 2006-2008 Branch Budget Request Manual and according to the following schedule in each fiscal year: (a) On or before the beginning of each fiscal year; (b) On or before October 1; (c) On or before January 1; and (d) On or before April 1.

House Bill 557, Section 91, provides the following:

"The \$25,000,000 Budget Reserve Trust Fund amount on page 422, line 13 of the 2006 Regular Session HB 380/EN shall be adjusted by the Legislative Research Commission to take into account legislation enacted subsequent to the passage of 2006 Regular Session HB 380/EN."

The Governor of the Commonwealth vetoes, in part, the following:

Partial Veto #5 of HB 557 - *I, Ernie Fletcher, Governor of the Commonwealth of Kentucky, pursuant to the authority granted under Section 88 of the Kentucky Constitution, do hereby veto the following part:*

Page 48, line 14, after the word "the" delete "by the Legislative Research".

Page 48, line 15, delete "Commission".

*This part directs the Legislative Research Commission to adjust the General Assembly's appropriation of \$25,000,000 from the Budget Reserve Trust Fund in House Bill 380 to take into account legislation enacted subsequent to the passage of House Bill 380. I am vetoing this part because the Kentucky Constitution vests legislative power in the General Assembly, not the Legislative Research Commission. The General Assembly may not delegate, during the interim between sessions, its appropriations power to the Legislative Research Commission. As the Supreme Court of Kentucky ruled in Legislative Research Commission v. Brown: 'The legislative power shall be vested in a House of Representatives and a Senate, which, together, shall be styled the General Assembly of the Commonwealth of Kentucky. Whatever else the LRC may constitutionally do, it may not legislate.'*

**Part X - Phase I Tobacco Settlement**

**BRANCH BUDGET**

The State/Executive Branch Budget Bill, Part X, Phase I Tobacco Settlement, includes the following directives:

**"General Purpose:** This Part of the Act prescribes the policy implementing aspects of the national settlement agreement between the tobacco industry and the collective states as described in KRS 248.701 to 248.727. In furtherance of that agreement, the General Assembly recognizes that the Commonwealth of Kentucky is a party to the Phase I Master Settlement Agreement (MSA) between the Participating Tobacco Manufacturers and 46 Settling States which provides reimbursement to states for smoking-related expenditures made over time.

**State's MSA Share:** The Commonwealth's share of the MSA is equal to 1.7611586 percent of the total settlement amount. Payments under the MSA are made to the states annually in April of each year.

**MSA Payment Amount Variables:** The total settlement amount to be distributed each payment date is subject to change pursuant to several variables provided in the MSA, including inflation adjustments, volume adjustments, previously settled states adjustments, and the nonparticipating manufacturers adjustment.

**Distinct Identity of MSA Payment Deposits:** The General Assembly has determined that it shall be the policy of the Commonwealth that all Phase I Tobacco Settlement payments shall be deposited to the credit of the General Fund and shall maintain a distinct identity as Phase I Tobacco Settlement payments that shall not lapse to the credit of the General Fund surplus, but shall continue forward from each fiscal year to the next fiscal year to the extent that any balance is unexpended.

**MSA Payment Estimates and Adjustments:** Based on the current estimates as reviewed by the Consensus Revenue Forecasting Group, the amount of MSA payments expected to be received in fiscal year 2005-2006 is \$91,300,000 and in fiscal year 2006-2007 is \$88,800,000 and in fiscal year 2007-2008 is \$94,000,000. It is recognized that payments to be received by the Commonwealth are estimated and are subject to change. Any appropriations made from the estimated receipts are subject to adjustments based on actual receipts as received and certified by the Secretary of the Finance and Administration Cabinet.

**State Enforcement:** Notwithstanding KRS 248.654, a total of \$175,000 of the MSA payments received each fiscal year of the 2006-2008 biennium is appropriated to the Finance and Administration Cabinet, Department of Revenue for the state's enforcement of noncompliant nonparticipating manufacturers.

**Early Childhood Development Initiatives:** Twenty-five percent of the MSA payments, less the above enforcement appropriations, received in fiscal year 2006-2007, estimated to be \$22,156,200, and in fiscal year 2007-2008, estimated to be \$23,456,300, is appropriated for Early Childhood Development Initiatives as specified below.

**Health Care Initiatives:** Twenty-five percent of the MSA payments received, less the above enforcement appropriations, in fiscal year 2006-2007, estimated to be \$22,156,300, and in fiscal year 2007-2008, estimated to be \$23,456,200, is appropriated to the Kentucky Health Care Improvement Fund for health care initiatives as specified below.

**MSA Appropriation Adjustment:** The Consensus Forecasting Group reduced the fiscal year 2005-2006 Phase I Master Settlement Agreement revenue forecast from the enacted estimate of \$108,600,000 to \$91,300,000, a reduction of \$17,300,000. The revenue estimate reduction was based on the high probability of an adjustment for nonparticipating manufacturers. To accommodate this reduction in estimated revenues, the following fiscal year 2005-2006 appropriations are hereby reduced in accordance with 2005 Ky. Acts ch. 173, Part X, (5):

"Notwithstanding KRS 48.310, the following statutes are created or amended to read as follows and shall have permanent effect, subject to future actions by the General Assembly:

SECTION 1. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

Fiscal Biennium 2006-2008  
Budget Modification Report

05/31/06 10:19 AM

Part XV - Apportioned Vehicles

- (1) There shall be exempt from ad valorem tax for state and local purposes trucks, tractors, and buses used on routes or in systems that are partly within and partly outside Kentucky, and that are subject to the fee imposed by Section 2 of this Part.
- (2) There shall be exempt from ad valorem tax for state and local purposes semitrailers as defined in KRS 189.010(12) and trailers as defined in KRS 189.010(17) that are used on a route or in a system that is partly within and partly outside Kentucky. Semitrailers or trailers required to be registered under KRS 186.655 that are used only in Kentucky shall be subject to the ad valorem tax imposed by KRS 132.487.

SECTION 2. A NEW SECTION OF KRS CHAPTER 136 IS CREATED TO READ AS FOLLOWS:

- (1) Notwithstanding KRS 132.487, any truck, tractor, or bus which is operated on a route or as part of a system that is partly within and partly outside Kentucky shall be subject to an annual fee at the time the vehicle is registered with and the registration fee is paid to the Transportation Cabinet pursuant to KRS 186.020 and KRS 186.050(3) and (13). The fee shall be imposed on the vehicle's owner or the owner's legal designee as of January 1 of each year. Such payment shall be made to the Transportation Cabinet either directly, in the case of a vehicle based in Kentucky, or indirectly, through the International Registration Plan, in the case of a vehicle based outside of Kentucky.
- (2) The fee imposed by subsection (1) of this section replaces the state and local ad valorem property tax the Department of Revenue previously imposed and centrally collected against trucks, tractors, and buses operated on a route or as part of a system that is partly within and partly outside Kentucky. The fee imposed by subsection (1) of this section shall not be construed as a fee imposed upon the registration, operation, or use of the vehicles on public highways. The Department of Revenue shall use the following method for determining the rate for fixing the assessed value of the property and for determining the annual fee amount:
  - (a) The Department of Revenue shall determine the assessed value on an annual basis by multiplying the purchase price of the truck, tractor, or bus by a depreciation value expressed as a percentage of the original cost from an authoritative source that the Department of Revenue prescribes by promulgation of an administrative regulation;
  - (b) The Department of Revenue shall determine an aggregate state and local rate on an annual basis. The state rate shall be the weighted average commercial and industrial tangible personal property tax rate, and the local rate shall be determined using the method set forth in KRS 136.180(3) and (4);
  - (c) The Department of Revenue shall determine the amount subject to the annual fee by multiplying the total assessed value of all vehicles by an apportionment factor. The apportionment factor shall be determined as provided in KRS 186.050(13)(a); and
  - (d) The annual fee shall be determined by multiplying the amount subject to the annual fee by the rate determined in paragraph (b) of this subsection.

The Department of Revenue shall provide the Transportation Cabinet with the information needed to collect the fee.

**Part XV - Apportioned Vehicles**

- (3) The Transportation Cabinet shall forward the money it collects from the fee imposed by subsection (1) of this section to the Department of Revenue on a monthly basis. The Department of Revenue shall divide and distribute the money among the state, counties, cities, urban-counties, charter counties, consolidated local governments, school districts, and special taxing districts in the same manner as the Department of Revenue divided and distributed the state and local ad valorem property tax previously imposed and centrally collected.**
- (4) Pick-up and delivery vehicles operating from a terminal within this state and vehicles that do not leave the state in the normal course of business shall not be required to pay the fee imposed by subsection (1) of this section, but shall instead be subject to the ad valorem tax under KRS 132.487.**
- (5) Any person paying the fee imposed by subsection (1) of this section shall have forty-five (45) days from the date the person is notified of the fee amount to protest. The protest shall be filed with the Commonwealth of Kentucky, Department of Revenue, in accordance with the provisions of KRS 131.110. Notification by any state's or Canadian province's or territory's registration authority of the amount due shall satisfy the notification requirement of KRS 131.110(1).**
- (6) No protest or appeal shall delay the collection or payment of the fee imposed by subsection (1) of this section. The fee amount due as determined in subsection (2) of this section shall be paid at the time of registration. If the fee is not paid, the Commonwealth of Kentucky, Transportation Cabinet shall not register the vehicle for which registration is sought. Persons registering vehicles in other states or Canada shall be subject to requirements of those registration authorities.**

Section 3. KRS 136.1873 is amended to read as follows:

**The provisions of this section shall apply to assessments made prior to January 1, 2007.**

- (1) Notwithstanding the provisions of KRS 132.487, trucks, trailers, tractors, semitrailers, and buses of any person, corporation, partnership, or any other business association whose route or system is partly within this state and partly within another state or states, shall be assessed by the Department of Revenue for purposes of taxation as of January 1 each year.
- (2) The proportion of miles operated in this state compared to the total miles operated everywhere shall be considered in fixing the value of the property for taxation. Other reasonable evidence shall be considered in fixing the value. However, pick-up and delivery vehicles operating from a terminal within this state or vehicles which do not leave this state in the normal course of business shall not be valued on an apportioned basis.

Section 4. KRS 136.1875 is amended to read as follows:

On or before April 15, 1991, and **prior to January 1, 2007**~~[each year thereafter]~~, each person, corporation, partnership, or other business association owning or operating trucks, tractors, trailers, semitrailers, and buses whose route or system is partly within this state and partly within another state or states, shall on forms provided by the Department of Revenue provide the department with a detailed description of all its vehicles operating within this state along with the necessary mileage data to be used in apportioning the value **on an annual basis**.

Section 5. KRS 136.1877 is amended to read as follows:

**The provisions of this section shall apply to assessments made prior to January 1, 2007.**

- (1) The Department of Revenue shall immediately, after fixing the assessed value of the trucks, tractors, trailers, semitrailers, and buses, notify the taxpayer of the valuation determined. Any taxpayer who has been assessed by the department in the manner outlined in KRS 136.1873 shall have forty-five (45) days from the date of the department's notice of the tentative assessment to protest as provided by KRS 131.110.
  - (2) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.
  - (3) The state and local taxes on the property are due forty-five (45) days from the date of notice and shall be collected directly by the Department of Revenue.
  - (4) The Department of Revenue shall annually calculate an aggregate local rate to be used in determining the local taxes to be collected. The rate shall be the statewide average motor vehicle tax rate for each type of local taxing district multiplied by a fraction, the numerator of which is the commercial and industrial tangible personal property assessment subject to full local rates and the denominator of which is the total commercial and industrial tangible personal property assessment.
  - (5) The local taxes collected by the Department of Revenue shall be distributed to each local taxing district levying a tax on motor vehicles based on the statewide average rate for each type of local taxing district. However, prior to distribution any fees owed to the Department of Revenue by any local taxing district under the provisions of KRS 136.180(6) shall be deducted.

- (11) "Motor vehicle" means any vehicle, machine, or mechanical contrivance propelled by an internal combustion engine and licensed for operation and operated upon the public highways and any trailer or semitrailer attached to or having its front end supported by the motor vehicles;
- (12) "Public highways" means every way or place generally open to the use of the public as a matter or right for the purpose of vehicular travel, notwithstanding that they may be temporarily closed or travel thereon restricted for the purpose of construction, maintenance, repair, or reconstruction;

Section 2. KRS 138.220 is amended to read as follows:

- (1) An excise tax at the rate of nine percent (9%) of the average wholesale price rounded to the third decimal when computed on a per gallon basis shall be paid on all gasoline and special fuel received in this state. For the purposes of the allocations in KRS 177.320(1) and (2) and 177.365, the amount calculated under this subsection shall be reduced by the amount calculated in subsection (3) of this section. Except as provided by KRS Chapter 138, no other excise or license tax shall be levied or assessed on gasoline or special fuel by the state or any political subdivision of the state. The tax herein imposed shall be paid by the dealer receiving the gasoline or special fuel to the State Treasurer in the manner and within the time specified in KRS 138.230 to 138.340 and all such tax may be added to the selling price charged by the dealer or other person paying the tax on gasoline or special fuel sold in this state. Nothing herein contained shall authorize or require the collection of the tax upon any gasoline or special fuel after it has been once taxed under the provisions of this section, unless such tax was refunded or credited.
- (2) In addition to the excise tax provided in subsection (1) of this section, there is hereby levied a supplemental highway user motor fuel tax to be paid in the same manner and at the same time as the tax provided in subsection (1) of this section. Such tax shall be calculated, starting with the quarter beginning July 1, 1986, by taking the excise tax resulting from the calculation provided for in subsection (1) of this section and adjusting such tax calculated, for each quarter, to reflect decreases in the average wholesale price, as defined in KRS 138.210(10)(a). The adjustment shall be made by calculating the difference between the average wholesale price computed for the quarter beginning October 1, 1985, as provided for in subsection (4) of this section, and the average wholesale price computed for the quarter beginning July 1, 1986 and each succeeding quarter, as provided for in

subsection (4) of this section. In the event of a decrease in the average wholesale price computed for the quarter beginning October 1, 1985, and ending December 31, 1985, and the average wholesale price computed for the quarter beginning July 1, 1986, and each succeeding quarter, the excise tax shall be adjusted upward for that quarter. The upward adjustment shall equal one-half (1/2) of the decrease between the two (2) quarterly periods, rounded to the third decimal. In no case shall the adjustment provided by this subsection result in a supplemental highway user motor fuel tax greater than five cents (\$0.05) on gasoline or two cents (\$0.02) on special fuel and, notwithstanding any adjustment which may be calculated as provided by this subsection, in no case shall the supplemental highway user motor fuel tax for any quarter be less than the previous quarter. The supplemental highway user motor fuel tax provided by this subsection and the provisions of subsections (1) and (3) of this section shall constitute the tax on motor fuels imposed by KRS 138.220.

- (3) Effective July 1, 2005, one cent (\$0.01), ***and effective July 1, 2006, two and one-tenth cents (\$0.021)***, of the tax collected under subsection (1) of this section shall be excluded from the calculations in KRS 177.320(1) and (2) and 177.365. The funds identified in this subsection shall be deposited into the state road fund.
- (4) Effective with the calendar quarter beginning July 1, 1980, the department shall determine on a consistent basis the average wholesale price for each calendar quarter, on the basis of sales data accumulated for the first month of the preceding quarter. Notification of the average wholesale price shall be given to all licensed dealers at least twenty (20) days in advance of the first day of each calendar quarter.
- (5) Dealers with a tax-paid gasoline or special fuel inventory at the time an average wholesale price becomes effective, shall be subject to additional tax or appropriate tax credit to reflect the increase or decrease in the average wholesale price for the new quarter. *I, Ernie Fletcher, Governor of the Commonwealth of Kentucky, pursuant to the authority granted under Section 88 of the Kentucky Constitution, do hereby veto the following part:*

Page 556, lines 10 through 12, in their entirety.

*This part mandates that any debt obligation issued by or on behalf of a unit of government to finance a court facility leased to the Administrative Office of the Courts be publicly bid by the owner of the court facility. I am vetoing this part because it temporarily overrides an existing statute, KRS 66.141, that requires bonds to be publicly bid, but allows notes to be sold by either competitive bid or at private negotiated sale. The existing statute adequately provides the flexibility of either procurement approach for issuing notes, and leaves that decision to the local unit of government.*

**Part XXXII - Roll-Your-Own Tobacco Excise Tax**

- (3) Effective June 1, 2005, a surtax shall be paid in addition to the tax levied in subsection (1) of this section and in addition to the surtax levied by subsection (2) of this section, at a proportionate rate of one cent (\$0.01) on each twenty (20) cigarettes. This tax shall be paid only once, at the same time the tax imposed by subsection (1) of this section and the surtax imposed by subsection (2) of this section are paid, regardless of the number of times the cigarettes may be sold in the state.
- (4) (a) Effective August 1, 2005, an excise~~tax~~ tax shall be imposed upon all wholesalers of other tobacco products at the rate of seven and one-half percent (7.5%) of the gross receipts of any wholesaler derived from wholesale sales made within the Commonwealth.
  - (b) This excise tax shall be paid only once, regardless of the number of times the tobacco product may be sold in the state.
- (5) Effective August 1, 2005, a tax shall be imposed upon all wholesalers of snuff at a rate of nine and one-half cents (\$0.095) per unit. As used in this section unit means a hard container not capable of containing more than one and one-half (1-1/2) ounce. In determining the quantity subject to the tax under this subsection, if a package on which the tax is levied, contains more than an individual unit, the taxable quantity shall be calculated by multiplying the total number of individual units by the rate set in this subsection. The tax imposed under this subsection shall be paid only once, regardless of the number of times the snuff may be sold in this state.
- (6) The General Assembly recognizes that increasing taxes on tobacco products should reduce consumption, and therefore result in healthier lifestyles for Kentuckians. The relative taxes on tobacco products proposed in this section reflect the growing data from scientific studies suggesting that although smokeless tobacco poses some risks, those health risks are significantly less than the risks posed by other forms of tobacco products. Moreover, the General Assembly acknowledges that some in the public health community recognize that tobacco harm reduction should be a complementary public health strategy regarding tobacco products. Taxing tobacco products according to relative risk is a rational tax policy and may well serve the public health goal of reducing smoking-related mortality and morbidity and lowering health care costs associated with tobacco-related disease."
